The North American Association of Wardens and Superintendents, in conjunction with The Ohio Wardens' and Superintendents' Association extend this invitation to all correctional vendors to attend the 48th Annual NAAWS Training Conference. The conference will be held April 9 -12, 2008 in Cleveland, Ohio at the Hilton Garden Inn and Gateway Conference Center in downtown Cleveland. The conference provides the perfect venue for exhibitors to share with all the conference participants the most current information on the latest products and services. Vendors are encouraged to attend and support these organizations, as it provides the opportunity to meet and socialize with the people in charge and who make the decisions.

Companies can share their information in a variety of manners. In addition to a booth in the Exhibit Hall, vendors may advertise in the program booklet that will be handed out to each attendee. The booklet is a great resource booklet that can be used long after the conference has ended and the attendees are back at their desks. Vendors may also want to become a sponsor for one of the many activities during the conference. All vendors will be listed in the program.

This Exhibit Hall is designed for maximum vendor impact with a minimum investment of time. On Thursday, April 10th, we will have exclusive vendor hours during the morning and afternoon, and an Exhibit Hall Reception that same evening from 5-8 pm. Exhibit Hall set-up is on Wednesday evening and tear-down is on Thursday evening.

Booth spaces are first come first serve. Additionally, the major vendor contributors will also receive preferred booth spaces.

All vendors must make their own hotel reservations.

We would like to thank all vendors in advance for your continued support.

For complete conference information including vendor information on site set-up please refer to our website at [www.corrections.com/naaws/](http://www.corrections.com/naaws/)
